

2018 Mission Trip Highlight

We asked each of the mission trip participants the following questions:

Why do you want to go on a mission trip?

What gifts/talents do you offer to our mission trip team?

Hailey Overman:

*I would like to make a difference and help people that may be going through a difficult time. I can't wait to see the smiles on their faces as we work together to complete projects they may have had a hard time accomplishing.

*With our strong hands, the support of our family and friends and along with God's help, we can do it!

Alyssa Overman:

*I have never been on a mission trip before and I would like to meet and learn about their culture and be a witness to the effects of poverty.

*I will offer hard work and dedication.

Amanda Overman:

*I want to be there to be able to help others that are in need.

*I am caring.

Red Lake Prayers for This Week:

For the Red Lake Schools as they try to improve their graduation rates.

Please keep all of the mission trip participants in your prayers over the next couple of months as they learn about each other and the community they will be serving, continue to fundraise, and prepare for this exciting opportunity to serve in new and challenging ways.
