

2018 Mission Trip Highlight

We asked each of the mission trip participants the following questions:

Why do you want to go on a mission trip?
What gifts/talents do you offer to our mission trip team?

Alex Menning:

*I want to go on the mission trip to help people and know that I can make a change in someone's life. I'm also excited to get to know my peers better!
*I love helping people who are in need, even if it's just letting them get their feelings out.

Maren Roepke:

*I want to go on the mission trip because I want to gain a new perspective on how others live. I also want to be able to interact and make new relationships with the children and people at the Red Lake reservation.
*I think I bring a positivity in hard times and also just a listening ear for them.

Morgan Verdeck:

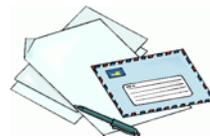

*I want to go on the mission trip to strengthen my faith while helping people and learning something new while I am in Red Lake.
*I bring compassion and the willingness to help others.

Red Lake Prayers for This Week:

Pray that the Red Lake Fishery would be prosperous, and that the walleye would continue to be healthy and a good economic source for the tribe.

Please keep all of the mission trip participants in your prayers during the next couple of weeks as they prepare for this exciting opportunity to serve in new and challenging ways.

Letters/Prayers from Home

We are still looking for individuals to write letters of support and prayer to and for the mission trip participants. We will read and share the letters with the participants as a way to encourage and remind them that the congregation has been and continues to walk along with them throughout this week of service. If you are interested in writing a group letter, please leave your letter(s) in Susie's mailbox or email it to her @ clceducation@christluth.com.

School Supplies for Red Lake:

In an effort to support children within the Red Lake community we will be collecting SCHOOL SUPPLIES to help provide the necessary items that are needed but not always available.

The school supply / book donation box is located in the narthex.

Cake & Coffee Following Worship TODAY!

The Mission Trip participants will be serving cake and refreshments one last time before our trip **THIS MORNING!**

All donations received during the Coffee/Fellowship will go directly towards the mission trip expenses and will help purchase school supplies and sporting equipment for the community of Red Lake. Participants will also be wearing our Mission Trip t-shirts and available to answer any questions you may have for us about our Mission Trip to Red Lake.
