

# 2018 Mission Trip Highlight

We asked each of the mission trip participants the following questions:

Why do you want to go on a mission trip?  
What gifts/talents do you offer to our mission trip team?

**Grace Kosek:**

\*I want to go on this mission trip to experience other ways of life and give help and support to others in need.

\*I feel that I am bringing leadership and kindness to the mission trip team. I also enjoy being with kids and being able to connect with them.

**Kianna Dolezal:**

\*I want to learn about the culture from other places in Minnesota and compare how different they are to my culture.

\*I offer kindness and small group leadership to our mission trip team.

## Red Lake Prayers for This Week:

Please pray for all the members of the Red Lake Reservation, for the children, the young adults and elders of the community, as they prepare to host the mission trip participants. May the community members and the mission trip participants recognize the abundance of opportunities to learn from one another.

***Please keep all of the mission trip participants in your prayers during the next week as they make their final preparations for this exciting opportunity to serve in new and challenging ways.***

## Letters/Prayers from Home

We are still looking for individuals to write letters of support and prayer to and for the mission trip participants. We will read and share the letters with the participants as a way to encourage and remind them that the congregation has been and continues to walk along with them throughout this week of service. If you are interested in writing a group letter, please leave your letter(s) in Susie's mailbox or email it to her @ [clceducation@christluth.com](mailto:clceducation@christluth.com).

## School Supplies for Red Lake:

In an effort to support children within the Red Lake community we will be collecting SCHOOL SUPPLIES to help provide the necessary items that are needed but not always available.

**The school supply / book donation box is located in the narthex.**

## Donations - Thank You!!

"Thank you!" to all the members of the congregation who have supported us in our mission trip journey so far and for your generous monetary donations. Last week there was \$512.00 donated towards the mission trip and school supplies for Red Lake, which brings us to a total of \$1,321.52 donated during refreshments following Worship. "Thank you!"
